

We love to sing together, and we sing in  
Rossendale

We love to sing together, and we sing in  
Rossendale

We love to sing together, and we sing in  
Rossendale

And we sing with all our hearts

Keep on smiling while you're singing

Keep on smiling while you're singing

Keep on smiling while you're singing

And we sing with all our hearts

not have to shop

And we sing with all our hearts
