

Winter Wonderland

Felix Bernard (music) and Richard B. Smith (lyrics)

Arranged by Faith Watson

Sleigh bells ring, are you listening
In the lane snow is glistening
A beautiful sight, we're happy tonight
Walking in a winter wonderland

Gone away, is the blue bird
Here to stay, is the new bird
He sings a love song as we go along
Walking in a winter wonderland

(Dm dm dm)
In the meadow we can build a (snow)
snowman

And pretend that he is Parson Brown (and)
He'll say are you married, we'll say no, no
man
But you can do the job when you're in town

Later on we'll conspire
As we dream by the fire
To face unafraid the plans that we've made
Walking in a winter wonderland

In the meadow we can build a (snow)
snowman
And pretend that he's a circus clown (and)
We'll have lots of fun with Mr. (Snow)
Snowman

Until the other kiddies knock him down

When it snows ain't it thrilling

Though your nose gets a chilling

We'll frolic and play, the Eskimo way
