

It Must Be Love

Labi Siffre

I never thought I'd miss you
Half as much as I do
And I never thought I'd feel this way
The way I feel about you
As soon as I wake up every night, every day
I know that it's you I need to take the blues
away

It must be love, love, love x2

Nothing more, nothing less

Love is the best

How can it be that we can

Say so much without words?

Bless you and bless me

Bless the bees and the birds

I've got to be near you every night, every day

I couldn't be happy any other way

It must be love, love, love x2

Nothing more, nothing less

Love is the best

As soon as I wake up every night, every day

I know that it's you I need to take the blues
away

It must be love, love, love [repeat]
