

# You've got a friend in me

Randy Newman

You've got a friend in me

You've got a friend in me

When the road looks rough ahead

And you're miles and miles from your nice  
warm bed

You just remember what your old pal said

You've got a friend in me

Yeah, you've got a friend in me

You've got a friend in me

You've got a friend in me

You got troubles, I've got them too

There isn't anything I wouldn't do for you

We stick together and see it through

Cos you've got a friend in me

You've got a friend in me

Some other folks might be

A little bit smarter than I am

Bigger and stronger too

But none of them will ever love you the way I

do

It's me and you, yeah

And as the years go by

Our friendship will never die

You're gonna see it's our destiny

You've got a friend in me x3
